SHAPING THE NEW MIAMI

Midway through Design Miami, *Metropolis* and Related Group hosted an intimate conversation with five influential architects and designers—Shohei Shigematsu, Piero Lissoni, Enrique Norten, Enzo Enea, and Pat Bosch. Before an audience at Related Group's One Paraiso, located on

the banks of Biscayne Bay, the animated discussion tackled big topics, ranging from culture and branding to history and sustainability. All agreed that, with Miami's transformation as a global capital, it has a responsibility to build inspiring private and civic works of architecture.
